**Victoria International
Container Terminal**

An ICTSI Group Company

Service available for imports requiring a 14.4 Rural Tailgate Inspection -
Including:

- Dry box
- Reefer
- ISO tanker or
- Open top container

The Rural Tailgate direction must be generated utilising Class 19.1 Non commodity for containerised cargo clearance (NCCC to direct containers to V2676 38-72 Appleton Dock Rd, West Melbourne).

The direction needs to be created utilising the Concern Type of RUAA or REAA.
